Why buy Volvo accessories?

It's all in the Volvo name.

When you choose genuine Volvo accessories, you choose a name that signifies quality, dependability and value.

Where else can you find accessories that conform to the nuances of Volvo design—accessories created to the same rigorous standards Volvo applies to the engineering of its automobiles?

Only Volvo creates accessories solely on the specifications of your Volvo for size and fit as well as material.

Only Volvo offers accessories that have passed the same stringent testing by Volvo engineers as your car.

Which is why only Volvo accessories carry the much respected Volvo name.

In addition to quality,

Volvo offers quantity, with a wide selection of products designed specifically to meet the demands of the multi-dimensional Volvo driver.

The Volvo name insures enduring commitment to our customers. We pride ourselves in knowing what you want. From headrests to ski racks, anti-theft devices to personal accessories, Volvo accessories

complement an owner's personal lifestyle.

While Volvo accessories are destined to enhance your driving comfort and pleasure today, they add to your Volvo's resale value tomorrow. They truly are a smart investment.

Why choose genuine Volvo accessories? Because they, too, assure you of the Volvo tradition in quality, performance, dependability and value.

Everything you want in a Volvo, with your own personal touch. Genuine Volvo Accessories.

Comfort/Convenience

700 SERIES 2x2 ▲ ARMREST

Every trip is a pleasure with this dual-purpose armrest. Made of comfortably soft integral foam, the armrest features integrated cup holders for driver and passenger use. Available in colors to blend with Volvo upholstery.

HEADREST ► CUSHIONS

Cradle your head and pamper yourself with these premium quality foam padded cushions. Color-coordinated in original upholstery to match both color and texture of your Volvo's interior. Easy to clean. Velcro closure for easy installation.

SHEEPSKIN ► SEAT COVER

Give in to the cloudlike softness of genuine sheepskin seat covers. These 100% Merino wool covers will keep you comfortably warm in winter, cool in summer. Easy to install, remove and clean; available in black, beige and blue/gray. Seat covers will not include headrests after mid 1991.

ROSEWOOD ► PANEL KIT

The warmth of rosewood adds beauty and elegance to the cabin of your Volvo. The wood grain of each door panel trim set is carefully matched for a custom fit, with rosewood veneers laminated to lightweight aluminum to meet Volvo safety standards.

Comfort/Convenience

▲ **POWER MIRRORS**

Adjust your outside door mirrors effortlessly at the touch of a button, without lowering the window or moving out of your driving position. On 700 Series, heating elements automatically demist mirrors and melt ice and snow when rear window defroster is activated.

CRUISE CONTROL ▶

Relax, save gas and reduce driving fatigue while cruising at a safe and legal speed—automatically. The Volvo cruise control system is engineered to match the engine and braking systems of your Volvo. The ergonomically designed, finger-tip controls are easily accessible on the turn signal/high beam wand. A simple slide switch engages cruise control; braking or a touch of the wand disengages it. "Memory" feature permits you to resume speed automatically after slowing down or stopping.

▲ **DASH TRAY**

Tidy up car clutter in your 740 with this handy dashboard tray. Holds keys, coins, receipts, cards and other small objects. Conveniently mounts on dashboard. Available in beige, black, blue, red and grey.

Travel/Towing/Load Carrying

▲ CARGO GUARD

Carrying cargo in your Volvo wagon can be easier and safer with this sensible, fold-down cargo guard. Protects your rear seat passengers from loose luggage or boxes and keeps pets secure. Black enamel finish over chromium-plated steel tubing; installs behind rear seat. With additional small parts attachment kit, can be repositioned behind front seats on 740 and 760 models.

LOAD LEVELER

(not shown) Keeps your Volvo level for maximum road handling stability under varying load conditions. Special shocks raise and lower the rear of your Volvo to compensate for a heavy cargo load or trailer towing. See your authorized Volvo dealer for details.

AUTOMATIC ► TRANSMISSION OIL COOLER KIT

If you drive your Volvo hard or tow heavy loads (above 1000 lbs./455 kg.), this kit is a **must**. Reduces transmission oil temperature and the risk of transmission failure.

AUXILIARY SEAT

Need to carry five adults and two children? The sturdy auxiliary wagon seat comfortably holds two children (maximum weight 176 lbs./80 kg.), then folds easily out of sight when not in use. Complete with armrests, seat belts, entry/exit tailgate handle, integrated headrests. Colors to complement all interiors.

200 SERIES ► AUXILIARY SEAT

700 SERIES ► AUXILIARY SEAT

▲ TRAILER HITCH

Put the bulk of your load-carrying problems behind you with confidence. This heavy-duty steel yoke trailer hitch plays an important role in the safe operation of your Volvo while towing a boat or trailer. It bolts to the Volvo's frame, and is rated for a maximum of 3300 lbs./1500 kg. The ball and draw bar assembly detach when not in use so as not to interfere with the 5 mph bumper. Ball is available in 1 7/8" and 2" diameters. A rear trailer brake lamp converter and wiring kit is also available. (Note: bumper-mounted trailer hitches cannot be installed on Volvo cars.)

Travel/Towing/Load Carrying

◀ **LOAD CARRIER SYSTEM**

Ever need to carry bikes, skis, a sailboard or extra luggage? Here's the most versatile roof-mounted load carrier system ever designed. Extremely strong and durable, this removable system can carry up to 220 lbs./100 kg. when evenly distributed. Features plastic-coated steel tubing to protect loads from scratching and chafing. Locking knobs and keys available for extra security. Can be used alone or with assorted optional adaptors: (clockwise, from top left) Bicycle Rack holds up to four bicycles; Sailboard Adaptor; Lockable Ski Adaptor holds up to four pairs of skis; Basket end rails can be lowered to permit loading oversized cargo, and Luggage Net keeps baggage secure with 12 plastic quick-fasten hooks.

WATERPROOF LUGGAGE COVER

(not shown) Make sure your roof-top luggage is protected from the elements. This heavy-duty, zippered vinyl cover is wind- and water-proof and features a metallic silver color to reflect sunlight.

▲ **LOCKABLE SKI RACK**

For the Volvo owner who skis, here is the safe and convenient way to carry your skis to the slopes. Made of corrosion-resistant, zinc-plated, black polyester-coated steel for maximum protection against the harsh elements of winter. Built-in lock cylinders feature protective plastic caps. Capacity: six pairs of skis. Will fit over the permanent roof rack.

PERMANENT ▶ ROOF RACK

Haul another load on top and increase your wagon's carrying capacity with a permanently mounted roof rack. Strong, handsome and maintenance-free, this is the perfect companion piece to the auxiliary seat. Available in chip-resistant powder black. 240 load capacity: 110 lbs./50 kg. 740/940 load capacity: 70 lbs./31.8 kg.

Audio Accessories

DELUXE SPEAKER KIT ▲

Enhanced acoustics for your Volvo. Rated at 40 watts, these 5" x 9" speakers are housed in a unique noryl resin box. Easily installed in the rear hatshelf of your 240, 740 or 760 sedan.

REAR HATSHelf SPEAKER KIT ►

Music to your ears directly. Utilizes 5 1/4" coaxial speakers mounted flush to hatshelf. A unique base tube incorporated into design delivers a clean rich bass reproduction.

▲ SPEAKERS AND AMP

Designed to match the acoustical environment of Volvo interiors. Speakers rated at 40 watts maximum continuous power, 60 watts peak power. HA-4120 is only amp capable of upgrading the 740 audio system so easily.

CASSETTE STORAGE BOX ▲

Fits in your armrest and holds up to five audio cassettes. Built-in tape hub prevents tangling inside the deck. Pop-out design enables easy removal from car.

▲ CASSETTE CLEANING SYSTEM

Get the most fidelity at all times from your Volvo's audio cassette mechanism. This Allsop 3 non-abrasive "wet" cleaning system provides a thorough cleaning of the most important drive points and audio magnetic heads.

GRAPHIC EQUALIZER ►

The graphic equalizer plays a vital role in helping to create ideal sound reproduction. Seven slide controls provide acoustical boost or softening of any of the designated frequencies.

▲ POWER ANTENNA

This power antenna automatically extends and retracts when the radio is turned on or off. Provides excellent stereo reception for your 240 sedan.

▲ **COMPACT DISC
CHANGER**

The best sound reproduction ever by a Volvo audio system. Holds up to six compact discs for fast access. Features four times over-sampling to eliminate the "ringing" of high frequencies; random play function selects four tracks at random from each of the six discs; track skip (forward or reverse); audible fast scan; repeat function for either track or disc selection. The best way to enjoy music.

MUD FLAPS ▲

Protect your Volvo's fenders from mud and stone chip damage with these thick black vinyl mud flaps. Lightweight and tear-resistant; custom-molded to match the contours of the car.

REAR WINDOW SHADES

(not shown) Protect your rear seat passengers from the sun's heat while you help your Volvo air conditioner cool more efficiently. These elegant, roll-out sun shades shield your Volvo's interior from heat and sun damage without hampering visibility.

ENGINE BLOCK HEATER

(not shown) Take the frustration out of extreme cold-weather starting and reduce the strain placed on a cold engine. Features a heavy-duty, six-foot grounded electrical cord. Operates on normal (110V) household current.

WINTER TIRES ►

For superior wet weather traction, Volvo offers Gislaved winter tires. Developed to meet the demanding conditions of cold Swedish winters, Gislaved winter tires are designed to help maintain your Volvo's driving and braking characteristics in ice and snow. Mounted and balanced on Volvo steel rims, they are also studable (where and when permitted.)

▲ **FOG LIGHT KIT**

Don't let fog, heavy rain or snow limit your nighttime driving vision. Volvo fog lights increase visibility and reduce glare to offer that extra measure of safety and security in inclement weather—and their sporty appearance enhances the look of your Volvo year 'round.

◀ **COWL INTAKE COVER**

Now you can be assured of proper ventilation despite snow or fallen leaves. This cowl cover acts as a cap for the intake vent and enables easy cleaning. Snaps into place without drilling or screws.

▲ **POWER SUNROOF**

Increase the enjoyment of your sunroof with this power sunroof kit. Hand crank is replaced with a precision motor assembly that enables complete operational control of your sunroof from a dashboard-mounted switch.

▲ **SUNROOF WIND DEFLECTOR**

The perfect accessory to get more fun from your sunroof. Smoke-tinted wind deflector reduces wind noise, drafts and glare. Durable acrylic conforms perfectly to roof contour.

▲ **SIDE WINDOW WIND DEFLECTOR**

Now you can cut wind noise and glare, even drive in the rain with the window partially open. Made of durable, tinted acrylic plastic, these window deflectors are attached with double-sided tape in either chrome or black to match exterior trim.

GT Sport/Handling

▲ LIMITED SLIP DIFFERENTIAL

Give your Volvo an extra "drive wheel" for positive traction in mud, sand, rain, ice or snow. Limited slip differential provides maximum horsepower transfer to both rear wheels. (Not compatible with, or approved for installation on turbocharged models.)

STEERING WHEELS

(Canada only; models without SRS). If you're a real "hands-on" driver, these sporty steering wheels will add to the enjoyment of your Volvo by increasing hand grip control. Made from thick northern Italian soft glove leather, these reduced-diameter wheels translate into quicker steering response and provide more driver leg room.

◀ 3-SPOKE STEERING WHEEL

14"/350 mm diameter.

4-SPOKE STEERING WHEEL

(not shown) 14³/₄"/370 mm diameter. 740 series.

▼ REAR DECK SPOILER

This rear deck lid-mounted spoiler with integrated brake light adds to your Volvo's sporty appearance. Made of soft polyurethane foam rubber, it helps improve your Volvo's aerodynamic wind resistance.

DECOR PANEL

(not shown) This red non-reflective panel unifies the area between the rear taillight assemblies to provide a clean, sporty appearance on 240 and 740 sedans. It's constructed of the same materials as the existing rear taillight assemblies for a perfect factory match, and does not interfere with the license plate lighting.

▲ **AERO BODY COMPONENT KITS**

Add to the sleek, sporty appearance of your Volvo 740 sedan or wagon while enhancing its distinctive body lines. Individual component kits include front spoiler skirt, rear spoiler skirt, and side panels that improve your Volvo's ground effects. Proper installation maintains the integrity of 5 mph bumpers and Volvo Corrosion Limited Warranty. The kits are ready to paint, to match or complement your Volvo's exterior color.

GT SHOCK ABSORBERS

(not shown) High performance 240 Volvo GT shock absorbers offer increased stability for outstanding road handling without greatly reducing driving comfort. Designed to tolerate greater stresses and help hug the road, all driving enthusiasts will welcome these very responsive shocks.

GT Sport/Handling

7" X 17" 5-SPOKE ▲ ALLOY WHEEL

Hold the road better as you capture attention with this wheel's definitive, bold 5-spoke styling. Comes complete with a high performance tire, the Pirelli P-700 215/45 ZR17. (Hubcap and metal valve stem included. Requires wheel nuts 6820010-3.)

6" X 14" MULTI-SPOKE ► ALLOY WHEEL

This sporty tire looks good and handles even better. Increases wheel track by $\frac{3}{4}$ " (20mm) to give vehicle wider stance. Hubcap is included. (Requires wheel nuts 1272648-5.)

ALLOY WHEELS

Ride in even greater comfort and enjoy more responsive road handling. These precision-crafted, high strength aluminum alloy wheels were designed by Volvo engineers to reduce unsprung weight, resulting in better performance. Open design improves air flow, dissipating heat faster for improved brake cooling. Precision machining assures these wheels are true round for maximum tire life. Coating is corrosion- and chip-resistant. 7" width widens track for performance feel and look.

7"x15" MULTI-SPOKE ► ALLOY WHEEL

7"x16" 5-SPOKE ALLOY WHEEL ▼

◀ INSTRUMENTATION

For the real performance driving enthusiast, Volvo gauges are designed to monitor vital engine functions as well as complement the dashboard. Available options include tachometer, oil pressure gauge, oil temperature gauge, voltmeter, fuel economy vacuum gauge, and clock.

Safety/Anti-theft

◀ CENTER REAR THREE-POINT SEAT BELT

Add to the security of your middle rear seat passenger with this three-point seat belt for 700 series sedans. Designed to spread the force in a frontal collision more evenly across the chest and pelvic areas, it rolls up neatly out of the way when not in use. Automatically adjusts the belt tension to fit the passenger while enabling normal movement and increased comfort.

SECURITY SYSTEM ▶

A motor vehicle theft occurs on the average of once every 26 seconds! Provide extra security to your Volvo with this vehicle security system and reduce the risk of theft or break-in. The alarm is triggered by moisture-resistant magnetic switches for hood and trunk, as well as integrated door switches and impact sensors. The system can be activated manually or automatically.

CHILD CUSHION ▶ AND BACKREST

When your child outgrows an infant car seat, you'll prize the peace of mind this cushion and backrest provide. Enables your little passengers to ride facing forward at the proper seating height, using standard three-point seat belts. Helps prevent injuries from sudden stops (U.S. only).

SEAT BELT ADJUSTER (not shown) If you or a passenger are of less than average height, the Volvo seat belt adjuster can add to your comfort and convenience. Easily installed, this kit lowers the upper attachment point for convenient usage in your 240.

Safety/Anti-theft

TRAVEL KIT ▲

Set your mind at ease when you carry this special kit of items carefully selected for their usefulness in coping with common highway emergencies. Includes repair wire, elastic tie-down cord, electrical tape, fire extinguisher, cotton gloves, poncho, spotlight, towel, safety flasher and instruction card. All packaged in a convenient, soft, charcoal-grey carrying case with space available for additional Volvo parts such as drive belts, bulbs and fuses.

LOCKABLE GAS CAP ►

Don't be the victim of theft or vandalism. A Volvo locking gas cap is the sensible way to protect your car's fuel. Made of bright corrosion-resistant material and furnished with two keys.

LOCKING LUG NUTS ►

Protect your wheels from theft with these chrome-plated, locking wheel nuts. Unaffected by road salt or dirt. Available in sets of four with special wrench socket that enables you alone to remove wheels.

CARGO COVER ►

Keep the contents of your station wagon safely out of sight with this security cover.

Made of cloth-reinforced vinyl, it retracts when not in use to a special storage tube behind the rear seat. Can be easily removed to accommodate oversized loads.

Colors to complement all interiors. Includes integrated hat shelf on 940 Series only.

Care/Maintenance

▼ CAR COVER

Keep your Volvo sedan or wagon clean and protected. Our uniquely designed "Weather-Guard" cover is water-repellent, mildew-proof and resistant to smog and acid rain. Features an anti-theft trunk lock and a clear plastic rear license plate viewing port. Comes with its own storage bag that locks in the trunk, and aids in cover installation. Also available—a steel-braided, vinyl-coated, **locking cable kit** for added security. Available in blue or gray. 740/940 Series only.

◀ PLUSH FLOOR MAT SET

Don't let your car floor be a catch-all for tracked-in dirt, sand, road salt and water. With luxurious, custom floor mats you can protect your Volvo's carpeting and trap unwanted grit and grime for convenient disposal. Precision-fitted, impervious to water, easy to vacuum and shampoo.

▲ TOUCH-UP PAINT

Keep your Volvo's finish looking new with touch-up paints for small areas and spray paints for larger areas. Touch-up paints have a built-in applicator brush with each bottle. Colors available to match your Volvo's original finish.

▲ CAR CARE KIT

Take pride in your Volvo and keep it looking new indefinitely. There's nothing better to beautify and enhance its appearance than the genuine Volvo car care components of this handy kit. Includes car washing fluid, liquid polish and paste wax, all designed and tested to work best with Volvo paints and finishes. Also included are aluminum wheel cleaner, wheel brush, cotton terry towel and sponge. Total car care made easy!

▲ MAINTENANCE AND APPEARANCE CHEMICALS

Show you care and use the best. These products were specially formulated by Volvo for optimum performance. Volvo coolant, windshield washer anti-freeze solvent, brake fluid, cooling system rust preventative/water pump lubricant, and gas line anti-freeze, all for your Volvo's general maintenance. Volvo wheel cleaner, car washing fluid, paste wax and liquid polish to protect and beautify your Volvo's finish.

FUSE KIT

(not shown) Handy emergency fuse kit is easy to store. Every Volvo owner should keep a set in the glove box or travel kit.

FLOOR TRAY SET ▲

Protect your Volvo's carpeting with these sturdy, deep well, thermoplastic floor trays. Contoured for an exact fit and maximum protection, they trap grit, grime, water and snow for convenient disposal. Studded bottom surface prevents slipping, yet they're easy to remove and clean.

CARGO MAT ►

Protect the interior of your station wagon's cargo area from dents, scratches, spills and stains. These heavy-duty mats are virtually indestructible. Designed to fit around wheel wells and protect the original carpet when carrying cargo, they may also be used when the rear seat is raised. Available in black vinyl or plush carpet in colors to complement all interiors.

CARGO TRAY ►

Here's the perfect way to protect the cargo area of your 240 or 700 station wagon from the ravages of mud, sand, moisture and other natural elements. The Volvo Cargo Tray is molded in a waffle pattern from a durable, lightweight thermoplastic/rubber compound. Features include a contoured edge for maximum protection, and distinctive Volvo logo. Tray can be removed quickly for easy cleaning. Black only.

Personal Accessories

◀ PERSONAL ITEMS

Show the world you're a proud believer in Volvo. Black **Parker Vector pen** with Volvo logotype. From **Cross Pens**, distinctive gold-filled writing instruments with Volvo logo; also available in handsome grey or black. Smart **lapel pin** in blue enamel or gold plate. A variety of **Volvo key chains**. **Pocket knife** is handsome, handy and triple-bladed, with gold-plated engraved handle. **Signature necktie** sports the Volvo logo woven on a navy blue field. Brass-plated **enameled keyring** features blue Volvo logo on a white field. **Reversible leather belt** with engraved goldtone logo switches from blue to grey.

▼ 740 PEDAL CAR

Delight "drivers" age 2-6 with this replica Volvo 740. Molded of impact-resistant plastic and covered with a high-gloss red acrylic finish.

SMALL GIFT ITEMS ▶

The perfect gifts for the Volvo fan. **Volvo flashlight**—so watertight, it floats. Genuine handcrafted **Dala horse** from Mora, Sweden is 5" high and gift boxed. **Volvo mug, 1927 Jakob model** for the collector. **1927 Jakob model paperweight** of antique oxidized metal on a wooden base. **Volvo 760 GLE** in full lead crystal, a limited edition by Reijmyre Glasbruk AB of Sweden. **Volvo signature golfballs** are quality Titleist 384DTs. Whimsical **wooden Viking** handcrafted in Scandinavia.

TOY CARS ▲

Here are two toy car models that are exciting for Volvo fans of all ages. The smaller one is self-propelled and really zips along like its larger counterpart.

LUGGAGE ▶

The Soft Luggage Collection is designed to blend fashion with styles that fit everyone's needs. Made of tough, durable Ballistic Nylon. **Garment Bag** will hold three suits or five dresses. **Open Top Tote** is available in midnight blue with contrasting silver accents. **Expandable Pullman** (not shown) can "grow" to three times the original size. **Square Top Duffel** is ideal for tennis or airline carry-ons. This 20" x 11" x 11" water-repellent nylon bag has three outside pockets and detachable shoulder strap. **Golf Umbrella** is made of 100% nylon, and comes with wooden handle and clear plastic storage sheath.

▲ **100% COTTON INTERLOCK SHIRTS**

Volvo owners can wear their tradition well with these quality full-cut polos which sport double-needle tailoring on the shoulder for added reinforcement. Embroidered Volvo logo on the left side. Available in turquoise, white or navy blue. Sizes: M, L, XL.

▲ **SKI JACKET**

Head for the outdoors in style and comfort with this Aspen winter jacket made of cotton/polyester. It features elastic wrist and waistband and secured pockets.

▲ **SWEAT SHIRTS**

This 50/50 heavyweight offers uncompromising sportiness. Available in white with two design choices: 2-color screen or 4-color screen design. Sizes: M, L, XL.

T-SHIRTS AND HATS

Volvo owners wear a lot of hats...and shirts. So we offer 100% white cotton heavy-weight t-shirts with 2-color screen or 4-color screen design. Sizes: M, L, XL. Corduroy hats with Volvo embroidery available in black, navy. Cotton twill baseball hats with Volvo embroidery available in white or blue. Or neon hats with a "cotton feel" in breathable nylon. Available in neon pink or green with blue embroidered Volvo logo. All hats feature adjustable leather strap.
