The de Luxe versions of the Volvo 140 Series are upholstered in durable vinyl. Textile wall-to-wall carpeting is fitted. The rear seat has a comfortable armrest in the middle which can be folded away to provide room for three passengers.

The Volvo 144 Grand Luxe is the most exclusive car of the 140 Series. Powerful and responsive fuel injection engine. Elegant interior with genuine leather seat facings. A tachometer is standard equipment.

Our most opulently equipped car. The Volvo 164 E. Its big six-cylinder engine gives an abundance of whispering power. The very exclusive interior features genuine leather-faced seats.
