1984 ACCESSORIES - 240 SERIES

**1. CR 2170 AM/FM Stereo Cassette.** This stereo cassette unit offers a superb combination of features and performance that makes it the best selling Volvo audio unit. Designed and engineered for the specific acoustics of your Volvo, the CR 2170 offers Dolby® noise reduction, 4 x 8 watt power output, metal tape capability, a 4 way fader/balance control, high sensitivity for FM reception range, gear driven tape mechanism together with advanced electronic state of the art audio reproduction.

**2. SR 2120 AM/FM Stereo Multiplex.** For the Volvo owner who desires a stereo multiplex radio, the SR 2120 has been designed and engineered to provide the ideal choice. Distinctive features include multiplex stereo decoder for selective stereo reception, automatic frequency control, bass/treble tone control, stereo indicator, speaker balance control and mono/stereo selector. With an electronic suppression device to eliminate temporary interference, this fine receiver meets the needs of the most discriminating listeners.

**3. AM/FM Stereo Cassette Microprocessor.** Utilizing microprocessor technology this AM/FM stereo cassette unit provides uncompromising services. Scan and seek, digital readout, step up/step down (for extremely fine tuning), memory programming for six AM and six FM stations, integral balance and fader control, plus a four track cassette (with locking fast forward/reverse) and auto reverse.

**4. R 2130 AM/FM Radio.** Developed to provide an excellent standard monaural radio. Features push button channel selection, automatic frequency control and built-in noise suppression (to obviate intermittent disturbances) together with bass/treble tone control.

**5. Graphic Equalizer.** The Volvo Graphic Equalizer adjusts audio output for specific acoustical tastes, separating the sound spectrum into five frequency bands: 50 Hz, 150 Hz, 400 Hz, 2000 Hz and 10,000 Hz. Each range may be adjusted to enhance tonal quality. Easily mounts in the upper dash parcel shelf. The unit can be switched on or off to the sound system with a simple pushbutton.

**6. Power Booster.** Provides distortion-free sound at any volume. High power booster increases the audio power of your car stereo. 40 watts (20 per channel) of distortion free sound in a compact package.

**7. 20 Watt Front Door Speakers.** High compliance foam surrounding the speaker cone makes production of low distortion bass possible. An aluminum dome helps disperse high frequencies evenly. (Silver-accents, black open-mesh grilles are available to replace standard color coordinated grilles.) 10 Watt speaker kit also available.

**8. Antennas.** Available in a wide range to suit your particular preference: AM/FM Power Antenna; Retractable Black Fender Mount; Black A-Post Antenna. Combination CB AM/FM Power Antenna is also available. **Power Antenna (a)** automatically retracts and extends when radio or ignition is turned on or off. **Retractable Black Fender Mount Antenna (b)** is manually retractable for sedans to provide maximum reception and security. Key provided. **Black A-Post Antenna (c)** is our most popular yet unobtrusive AM/FM antenna. Utilizes front A-Post for excellent stereo reception.

**9. Deluxe Stereo 20 Watt Rear Box Speaker.** Self contained 2-way speaker system. Designed for surface mounting on the rear shelf in sedan models. Rugged black ABS cabinet contains a matched 4 1/2" woofer keyed with a separate high efficiency midrange. This system provides maximum stereo separation and smooth response.

**10. 20 Watt Coaxial Rear Flush Mount Speakers.** A 5 1/4" woofer is complemented by a coaxially mounted matched tweeter for crisp highs and well defined bass response. Easy surface mounting on sedan hat shelf. Features an attractive black open-mesh grille.

**11. 20 Watt Rear Wagon Speakers.** Mounts flush in color-coordinated rear side panels of Volvo station wagons. Black open-mesh grilles similar to those installed on 20 Watt Front Door Speakers.

**12. Cassette Deck Cleaning Kit** (not shown). This kit cleans the tape head, capstans, and nonaccessible areas effectively with soft cotton tapes which will not damage the tape head.

**1. Volvo Air Conditioning.** Driving comfort all year round. Volvo Air Conditioning circulates cool, dehumidified air throughout your car by means of 10 strategically located outlets, to refresh and relax you and your passengers on the hottest summer days. But Volvo's fully integrated air conditioning system does more. It works in tandem with your Volvo's ventilation and heating systems. So in winter or on damp spring mornings, it can help clear your Volvo's windows of visibility-reducing condensation quickly and easily.

**2. Cruise Control.** A fully-integrated system for easy, reliable operation. Volvo Cruise Control is designed for simple operation. And because it's fully integrated with your Volvo's acceleration and braking systems, you stay in complete control at all times. All controls are built into the turn indicator/high beam wand. Accelerate to any desired speed above 30 mph and press the Set Speed switch. The Electronic Cruise Control takes over, permitting you to take your foot off the accelerator pedal and to devote your attention to the road ahead.

**3. Rear Window Shades.** These elegant, roll-out shades shield the interior of your Volvo from heat and sun damage without hampering visibility. They help your Volvo Air Conditioner cool your car more efficiently, while providing special relief from the sun for rear seat passengers.

**4. Remote Trunk Lid Lock.** Conveniently located in your Volvo's glove compartment, this push-button release lets you unlock the trunk without having to leave your car. Standard on Turbo.

**5. Exterior Rear View Mirrors.**  
**a. Manual Remote Right Side Mirror.** Expand your rear view with this Volvo door mirror. Provides additional rearward visibility for safer highway passing. Adjustable from inside the passenger compartment. Standard equipment on all models except 2-door and 4-door DL models.

**b. Electric Remote Side Mirrors.** Adjust right door mirrors with a touch of a button. Special multi-directional switches mount within easy reach of the driver. Standard equipment on GL, Turbo and 760 GLE models.

**6. Adjustable Reading Lamp.** For looking up an address... checking the map... or a little night reading, this "flexible-neck" Volvo lamp puts the light where you need it. Adjustable shade keeps the beam out of the driver's eyes and permits choice of wide coverage or a spot of high-intensity light. Mounts in any number of locations and snaps out of the way in its own unobtrusive holder.

**7. Power Front and Rear Windows.** There's luxury as well as convenience in Volvo's finger tip control power windows. Rocker switch control for front windows is mounted in the center dashboard console. Rear window controls mount in seat belt console, between the front seats. On/off switch in dash console prevents accidental opening of rear windows. Standard on GL, Turbo and 760 GLE models.

**1. Senator Seat Covers.** Premium quality plush velour color coordinated seat covers especially tailored for both the front and rear seats of your Volvo 4-door or wagon. Easily installed, these attractive covers offer years of protection for your original upholstery. Senator covers can be foam or dry cleaned. Available in brown, beige, blue and grey/black to complement Volvo interiors.

**2. Senator Headrest Cushions.** Matching front and rear headrest cushions are available separately.

**3. R-Sport Seat Covers.** Handsome styling with built-in padded side bolsters for increased lateral support. Tailored for both the front and rear seats. Available in blue/dark blue trim, beige/brown trim and red/black trim.

**4. R-Sport Headrest Cushions.** Matching front headrest cushions are available separately.

**5. Sheepskin Seat Covers.** Exclusive sheepskin seat covers that are the ultimate in interior luxury. Not just a slipover or casual cover, but a specially formed and tailored sheepskin for both the front and rear seats of all Volvo sedans and wagons produced since 1978 (except coupe). The luxuriously thick lambswool is of a natural beige color with dark brown nylon sides and back.

**6. Sheepskin Headrest Cushions.** Matching front and rear headrest cushions are available separately.

3

4

5

6

**7. Leather Headrest Cushion.** Supple, expertly tailored front and rear headrest cushions in black and beige leather.

**8. Tricot Plush Velour Headrest Cushions.** Luxuriously smooth finish. Designed for both the front and rear seat. Available individually in blue, brown and beige.

**9. Cloth Headrest Cushions.** Designed for easy installation and perfect fit. Available for front seat only. Individually sold in black, blue, brown and beige.

**10. Rear Head Restraints.** Give your rear seat passengers the same comfort and protection as those who ride in front. Easy-to-clean padded vinyl, over a reinforcing steel frame, is color coordinated to complement your Volvo's interior. Individually available in black, beige, blue, grey, brown.

**11. Child Guard.** Constructed of shock-absorbing foam plastic with tubular steel reinforcements, this safety device prevents children from being thrown between the front seats in the event of an emergency stop. Child guard mounts securely on the back of the driver's seat.

**12. Adjustable Armrest.** Make driving more comfortable... arrive relaxed... with Volvo's adjustable, fold-away armrest. Push button convenience allows you to set six comfortable positions. Available in beige, blue, brown, grey and black.

**13. Auxiliary Seat.** Convert your five passenger Volvo wagon into a roomy seven-seater. Seat folds down and out of sight when not in use. Comes complete with armrests, seat belts, and entry/exit handle above tailgate. Available in beige and black.

**14. Child Safety Cushion.** You'll prize the peace of mind this accessory provides. The cushion lets your little passengers see the road ahead and ride at the proper seating height to use standard seat belts, to help prevent injury from sudden stops or surprising road hazards. The three-point seat belt system holds the cushion firmly in place. Easily removed and positioned. (See your Volvo dealer for proper fitting.)

**1. Tachometer—Two sizes: 80mm and 52mm.** Recommended for cars with standard transmission, this fully-transistorized tachometer lets you keep track of your engine's rpms, to help you determine the correct, economical moment to shift gears. Adds a sporty look to your dash. Choice of 80mm size for main instrument cluster or 52mm size for center instrument console.

**2. Oil Pressure Gauge.** This gauge monitors your Volvo's oil pressure to warn against dangerous drops in pressure. It alerts you to possible low oil levels or to potential clogged filters, loose oil lines and pump or bearing problems. (Pressure ratings expressed in BARS.)

**3. Oil Temperature Gauge.** Recommended for Volvos used to tow or carry heavy loads or driven in high temperature climates. The instrument warns of engine overheating and possible loss of engine lubrication capability. Also available in Celsius.

**4. Voltmeter.** The voltmeter monitors your Volvo's electrical system, measuring voltage at the battery while the car is in operation. Lets you spot fluctuations that can signal battery problems, excessive electrical loading or a voltage regulator malfunction.

**5. Ambient Temperature Gauge.** For cold weather driving safety, this instrument keeps you constantly aware of changes in outside air temperature at road level. It alerts you to the possibility of road icing conditions when air temperature falls below freezing. The thermocouple sensor mounts securely under the front bumper. Also available in Celsius.

**6. Fuel Economy Gauge.** This instrument alerts you to unnecessarily high fuel consumption. Extremely valuable during acceleration and when cruising at highway speeds. Helps you adjust your driving habits to get maximum fuel efficiency from your Volvo.

**1. Sunroof Wind Deflector.** More than just an attractive finishing touch to sunroof models, these Volvo wind deflectors cut glare and reduce wind noise. Made of durable tinted plexiglass, they complement Volvo exterior colors. Available in smoke, blue, green and copper.

**2. Limited Slip Differential.** For extra traction in mud, snow or rain, or for starting on slick, icy roads. When one rear wheel starts to spin, it automatically transfers power to the other side to limit wheel spin and pull you through.

**3. Engine Block Heater.** Take the frustration out of cold winter starting and help prevent excessive engine wear, with this Volvo accessory. Fits into "freeze plug" on your engine block and uses normal electric house current (110V).

**4. Battery Warmer.** Cold weather saps your battery's starting power by up to 60% just when you need it most. The battery warmer heats your battery, using normal house current (110V), to help maintain full cranking power. Get a warm start on a cold day with this heat and acid resistant wrap-around.

**5. Intermittent Rear Wiper.** For greater visibility without distraction, this Volvo rear window wiper keeps your rearward view clear of mist and drizzle.

**6. Fog Lamps.** For added margin of vision without reflective glare, Volvo all-weather clear lens, halogen lamps cut through bad weather. Mounted below the bumper for protection and visibility, they add a sporty touch to your Volvo's appearance. Sold in pairs. (Note: a complete selection of halogen driving lamps is also available in Canada only.)

**7. Grille Cover.** Specially designed for Volvo grilles, this tough insulated plastic cover protects your engine from extreme winter weather. It shortens warm-up time and helps the engine maintain a higher working temperature. Keeps out corrosive road salt, rain and snow from engine compartment.

**8. Side Window Wind Deflectors.** Cuts down glare and wind noise when windows are open. Designed to look good and function efficiently. Available for both two and four door models.

**1. Station Wagon Roof Rack.** This Volvo permanent roof rack lets you add an extra load on top. Its highly polished stainless steel rails and corrosion resistant zinc supports add maintenance-free beauty to your wagon, as well. Load limit 110 lbs (50 kgs).

**2. Removable Luggage Rack.** Quick action fasteners let you secure the rack firmly to your Volvo's roof gutters in just minutes. Made of durable aluminum tubing for load carrying strength and maintenance-free good looks. Load limit 165 lbs (75 kgs). The handy nylon luggage net (shown) and a vinyl luggage cover (not shown) are available separately.

**3. Ski Rack.** Adjustable to fit securely on your Volvo. Each support is lockable to protect your valuable equipment. Constructed of zinc-plated, polyester-coated steel for corrosion resistance. Holds six pairs of skis. Will fit over permanent roof rack.

**4. Removable Wagon Rack.** This sturdy aluminum rack expands the carrying capacity of your Volvo wagon. Secure the rack firmly to the gutters in just minutes. Total rack weight is 24 lbs (11 kgs) and is supplied with front spoiler to reduce wind noise. Load limit 220 lbs (100 kgs).

**5. Load Carrier.** Plastic-coated steel tubing with strong gutter attachments. Available with extension rails, ski, and bicycle adaptors. Load limit (evenly distributed) 220 lbs (100 kgs). Locking knobs available for extra security (see inset).

**6. Luggage Cover** (not shown). Heavy duty vinyl coated fabric with zippered opening to protect luggage carried on the roof. Has luggage capacity of 8 cu. ft. (.23 cu. meters)

10

**6. Steel Cargo Guard.** Protect your rear seat passengers from loose luggage or boxes and keep pets safe and secure with this fold-down Volvo cargo guard. Guard can be quickly folded against the roof or removed when not in use.

**7. Coin Console.** This handy, covered tray holds coins, tokens, or any small object you want to find quickly. Conceals change from curious eyes. Available in black, beige or brown.

**8. Trailer Hitch and Wiring Harness.** Bolts permanently to car frame for maximum strength. Ball and draw bar assembly are removable for storage when not in use. Maximum towing capacity—3,300 lbs./1500 Kg.

**9. Load Levelling Systems.** Volvo load levellers are designed to keep your Volvo level for maximum road handling stability under varying load conditions.

**a. Fully Automatic Load Levelling System.** A unique series of valves inside specially designed shock absorbers automatically adjusts to the load you are carrying. Complete with two shock absorbers and two rear springs, to give you a sedan ride while retaining the utility of a wagon.

**b. Semi-Automatic Load Levelling System.** A special dash-mounted switch lets you control this system's compressor and air shocks to raise the rear of your Volvo when carrying heavy loads. Fits all models.

**c. Manual Load Levelling System.** Consists of special air shocks, air lines and a control gauge mounted in the trunk. Fits all models.

**d. Spring Shocks.** Heavy-duty rear shocks with auxiliary springs maintain ride height under heavy loads or when towing a trailer. Fits all models.

**10. Ski Tunnel.** A unique, practical way of transporting skis, fishing poles or other long objects inside the car without soiling the interior. Beginning with 1981 sedans, an opening between the rear seat and trunk is cleverly concealed behind the folding rear center armrest. A special tunnel of heavy vinyl has been developed for this opening that includes a plastic case and 'trap door' that allows the long bag to be rolled up and stored behind the armrest. To transport skis, simply open the trunk, unsnap the trap door to the ski tunnel, and the tunnel unfolds as the skis are pushed through.

**11. Roof Spoiler** (not shown). Specially designed to improve trailer towing stability, cut wind resistance and increase highway fuel efficiency. The spoiler attaches easily to the roof by means of the Volvo load carrier available separately.

**Alloy Wheels**—Precision-crafted beauty and high strength aluminum alloy are combined in these distinctive sports wheel designs. Light alloy material reduces unsprung weight to provide more responsive road handling and more comfortable riding. Open design improves air flow for faster heat dissipation and superior brake cooling. Precision machining assures wheels are true round for maximum tire life.

**1. 14" Finned Alloy Wheel.** Elegant, European styling with either small cap and chrome lug nuts or large hubcaps (shown).

**2. 15" Turbo Alloy Wheel.** Coupled with low profile radial tires this sporty wheel can provide improved road handling.

**3. 14" GT Alloy Wheel.** Used with small hubcap and chrome lug nuts for a sporty appearance.

**4. 14" Deluxe Slotted Alloy Wheel.** A luxurious look with a touch of sports styling. Used with large hubcap.

**5. Leather Steering Wheels.** Add a GT touch to your Volvo's interior with these leather wheels. Covered in leather for a more comfortable grip, these GT Steering Wheels improve steering response and increase driver leg room. Available in four distinctive styles: **5a**—13-3/4" R-Sport; **5b**—14" R-Sport; **5c**—14-1/2" Sport; **5d**—15" R-Sport.

**6. Road Handling Kit** (not shown). Front and rear stabilizer bars and heavy duty front suspension springs reduce body roll and sway on tight corners. Kit increases total stability by 35% when fitted together with Volvo gas-filled shock absorbers (sold separately).

**7. Gas Shock Absorbers** (not shown). Gas pressure design utilizes single monotube construction for fast heat dissipation and superior fade free performance. Unique design provides for a comfortable ride during normal street driving, but becomes progressively firmer the more they are used.

**8. Leather Shift Boot Cover** (not shown). The GT shift boot is genuine leather. Available in black or beige.

**1. Lockable Gas Cap.** At today's prices, it pays to protect your fuel investment. Gas cap is made of bright red corrosion resistant material. Comes complete with two keys.

**2. Locking Wheel Nuts.** Attractive chrome plated steel lug nuts protect your light alloy Volvo wheels from thieves and vandals. Special wrench socket with each package of four lug nuts lets you alone remove wheels. Replacement sockets available through a coded card enclosed with each package.

**3. Anti-Theft Alarm.** Safeguard your Volvo against forced entry. If opened, a special horn alarm will sound unless a key is placed in the ignition or the alarm is deactivated within 15 seconds. Protect your investment with this Volvo alarm.

**4. Bumper Reflector Stripes.** Bright, reflective stripes make your Volvo more visible to other drivers. Attractive, self-adhesive tapes, white for the front and red for the rear bumper, add a sporty look that also means greater safety.

**5. Warning Triangle.** Alert oncoming traffic to your position at the side of the road. This reflective, luminous plastic triangle sets up easily on a built-in, sturdy four-point stand for stability in the wind. Folds neatly into a conveniently stored case. Don't leave home without it!

**6. Station Wagon Security Luggage Cover.** More security for the cargo compartment of your Volvo station wagon. This attractive vinyl cover keeps luggage and valuables safely out of sight. Cover rolls back into a special storage tube when not in use.

**1. Plush Floor Mats.** These luxurious, deep-pile floor mats are specially designed and matched to your original Volvo interior. Color fast synthetic pile mats include a woven Volvo heel pad and waterproof non-slip backing. Set of four mats, front and rear, available in brown, beige, blue, red and black.

**2. Koko Mats.** Koko fiber mats lend a unique combination of exciting color and protection to your Volvo. Natural fiber mats feature a woven logo heel pad and waterproof non-slip backing. Set of four mats, front and rear, available in brown, tweed, blue, beige and black.

**3. Thermo-plastic Mats.** Color coordinated molded thermo-plastic mats are contoured for an exact fit and maximum protection for your original carpeting. Raised border and waffle pattern traps dirt, water and snow. Rigid construction permits fast, easy removal for cleaning. Studded bottom surface prevents slipping. Set of four mats, front and rear, available in blue, brown, beige and black.

**4. Trunk Mats.** Protect your trunk and keep it clean with interlocking Volvo mat set. Available in black and designed to fit sedan trunks.

**5. Wagon Cargo Mat.** Heavy-duty vinyl mat is specifically designed to completely cover the cargo compartment of your Volvo station wagon. Protects the original carpet when carrying cargo and keeps cargo area neat when rear seat is raised. The cargo mat locks in place with velcro attachments, and is quickly removed for cleaning or storage.

**6. Spray and Touch-Up Paints.** Keep your Volvo's finish looking new with touch-up paints for small areas and fluorocarbon-free spray paints for larger areas. Touch-up paints have a built-in applicator brush with each bottle. Both paints available in colors to match your original finish.

**7. Maintenance Items.** Your Volvo deserves the best of care. Coolant, Window Wash Solvent,\* Brake Fluid,\* Cooling System Rust Preventative and Lubricant,\* Gas Line Anti-Freeze\* and Lock De-Icer\* are available for your Volvo's general maintenance.  
\* Not available in Canada.

**8. Service Manuals** (not shown). Easy-to-follow, step-by-step maintenance information for current and past models is contained in Volvo Service Manuals. Contact dealer for details.

# 760 GLE

**1. Grille Cover.** For cold weather use, the grille cover raises the running temperature of the engine and helps to prevent snow, salt and moisture from entering the engine compartment.

**2. Child Guard.** Helps prevent small children from being thrown between the front seats by heavy braking.

**3. Child Booster Seat.** This cushion puts your child at the proper height to use the standard seat belts. Another advantage with the Child Booster Seat is that the child can look out the car window. (See your Volvo dealer for proper fitting.)

**4. Dash Tray.** Located conveniently on the dash, holds an assortment of small objects, color coordinated to the interior. Available in beige, black, blue, green and red.

**5. Trailer Hitch.** Easily mounts to the pre-drilled body member of the 760 GLE. Made to provide proper towing characteristics. Maximum load 3,300 lbs./1,500 kgs. (Consult your owner's manual before towing a trailer.)

**6. Ski Rack.** Lockable to protect your valuable equipment, adjustable to fit securely on your 760 GLE. Carries as many as 6 pairs of skis.

**7. Gauges.** Two functional "made to match" gauges for your 760 GLE.

**a. Ambient Temperature Gauge.** Reads the temperature immediately over the road surface and indicates the temperature area in which slippery roads become a great risk.

**b. Fuel Economy Gauge.** This instrument alerts you to unnecessarily high fuel consumption. Extremely valuable during acceleration and when cruising at highway speeds. Helps you adjust your driving habits to get maximum fuel efficiency from your Volvo.

**8. Color Coordinated All-Weather Floor Trays.** Contoured for an exact fit and maximum protection of your original carpeting. Available in beige, black, blue, green and red.

**9. Sheepskin Seat Covers.** Luxuriously thick lamb's wool for the ultimate in interior comfort. Natural beige color with dark brown nylon sides and back. Matching sheepskin headrest cushions are available separately.

**10. Custom Carpet Mats.** Remarkably plush mats featuring hand-set tightly woven 760 GLE logo heel pad and waterproof non-slip backing. Available in beige, black, blue, green and red.

**11. Cowl Intake Cover.** A "cap" for the intake vent; insures proper ventilation usually hampered by snow or fallen leaves. Easily fitted without drilling or screwing. Clips neatly onto the air intake.

**12. Side Window Wind Deflectors.** Cuts down glare and wind noise with windows open. Designed to look good and function efficiently. Available for both front and rear doors.

**13. Load Carrier.** Versatility is the key. Start with the basic carrier bars and add on a rack or bicycle carrier. Sturdy lightweight construction will hold up to 220 lbs (100 kgs) of evenly distributed cargo. Locking knobs also available (see inset).

**14. Rear Mud Flaps.** Thick vinyl black flaps with a distinctive white Volvo logo protect rear fenders from mud and stone chip damage.

**15. Sunroof Wind Deflector** (not shown here; see page 11). Sculpted, smoke-colored deflector is designed to cut glare and wind noise.

**VOLVO**
