**THE WARRANTY
ON OUR VOLVO
ACCESSORIES IS
EQUAL TO THE
WARRANTY ON OUR
VOLVO WHOLE.**

OUR NEW VOLVO WARRANTY

Every Volvo is warranted to be free of defects in materials and workmanship for 12 months from the date of delivery as long as it receives recommended maintenance. There is no mileage limitation.

OUR ACCESSORY WARRANTY

Volvo accessories are warranted for 12 months from the date of purchase and/or installation. There is no mileage limitation. The warranty covers the repair or replacement of any item or component found defective because of workmanship or materials.

If you buy accessories from someone other than your Volvo dealer, they may be covered by a part-time warranty: 30 days.

When you buy accessories from us, they come with a whole different warranty: 12 months/unlimited mileage.

Some quick figuring shows our warranty may run over ten times longer than theirs. That gives you a good idea how our accessories compare to theirs.
